

False Flag Terror---The Occult Connection

During the imperial Bush presidency, many ostensibly terrorist-inspired bombings took place throughout the world. In particular, there were attacks in the following cities:

New York, United States
Bali, Indonesia
Madrid, Spain
London, England
Amman, Jordan

These attacks shocked the world and convinced the global populace that a "War on Terror" was necessary to ensure their safety. However, upon investigation, many of the so-called terrorist bombings and/or attacks were revealed to be false flag operations. These false flag operations seem to have the intent to propel a covert agenda of global war and globalization. Does this secret agenda have an even darker connection to the occult? Do the dates of these attacks have particular meaning in the occult?

Prophet of the New Age

Aleister Crowley, born October 12th, 1875 was born into a wealthy family in Warwickshire, England. Crowley (rhymes with holy) rebelled against the Christian morality of his parents and committed himself to a life of occultism. A well-educated and talented litterateur, Crowley wrote many volumes of occult works detailing his dark vision of the future. He believed that, "despite all its drawbacks, there was never a better social system than the feudal, so far as it derived from the patriarchal."¹ He also stated that the government must lord over and manage hordes of ignorant masses:

We should have no compunction in utilizing the natural qualities of the bulk of mankind. We do not insist on trying to train sheep to hunt foxes or lecture on history; we look after their physical well-being, and enjoy their wool, and mutton. In this way, we shall have a contented class of slaves who accept the conditions of existence as they really are, and enjoy life with the quiet wisdom of the cattle.²

Is there a connection between Crowley and the false flag terror events that has been overlooked? Is there a deeper meaning to the dates of the terror events? Why are those numbers relevant to Crowley?

Occult Numerology

The number 11 is the number most important to Aleister Crowley. He learned of the symbolic meaning of the number from his research into the occult in the later part of the nineteenth century. As a member of the quasi-Masonic magical group The Hermetic Order of the Golden Dawn, he was exposed to writings of the groups founders. William Wynn Westcott, one of the original organizers of the Golden Dawn, refers to the number eleven in his book Numbers: Their Occult Powers and Mystic Virtue:

“Upon the Number Eleven. This seems to have been the type of number with a evil reputation among all peoples. The Kabbalists contrasted it with the perfection of the Decad, (10) and just as the Sephiroth number is the form of all good things, so eleven is the essence of all that is sinful, harmful and imperfect; with the Ten Sephiroth they contrasted the Eleven Averse Sephiroth, symbols of destruction, violence, defeat, and death.”³

Aleister Crowley wrote about the number 11 frequently, and emphasized it's importance as shown below:

“Firstly”, 11 is the number of Magick in itself. It is therefore suitable to all types of operation. “Secondly”, it is the sacred number par excellence of the new Aeon. As it is written in the Book of the Law: ...11, as all their numbers who are of us.”⁴

Crowley's much repeated phrase "Do What Thou Wilt Shall Be The Whole Of The Law" (which he considered the dictum of the New Age), has eleven words and eleven syllables. Based on the preceding information, eleven is a crucial number in Crowley's religious system.

The number 77 also has an important meaning to Crowley and his followers. According to Crowley, 77 is the:

...sublime and supreme septenary in its mature magical manifestation through matter...written in Hebrew Ayin Zayin (OZ)...Capricornus, the Devil of the Tarot; which is the picture of the Goat of the Sabbath on an altar.⁵

77 also represents half of the formulation of sexual magic in both the O.T.O. and the Kabbalah.⁶ It also refers to the 77 infernal names of the Devil in book The Satanic Bible by Anton LaVey.⁷

88 is an important number for what can be termed the Illuminati and refers to number of squares on a chess board, a symbol of the capacities of the human mind.⁸

10/12 is an occult feast celebrating the birth of the Prophet of the New Aeon--Aleister Crowley.

Thus, 11, 77 and 88, and 10/12, the satanic feast for Aleister Crowley's birthday, called Crowleymas, are significant numerical markers for the occult practitioner. Did each of these terror attacks have an occult numerical marker? Were the attacks situated on certain dates for occult reasons?

Here are the following events in the phony "War on Terror" with occult, numerical significance:

10/12 (2000)---U.S.S. Cole Bombing. A false-flag terrorist attack against the United States Navy destroyer *U.S.S. Cole* on October 12, 2000 while it was harbored and refueling in the Yemeni port of Aden. 17 American sailors were killed, and 39 were injured. The attack occurred on Crowleymas, Aleister Crowley's birthday.

9/11 (2001)---9/11. The false-flag September 11 attacks used four commercial passenger jet airliners. Two of the airplanes, Flights 11 and 175, crashed into the Twin Towers of the World Trade Center in New York City, killing everyone on board and many others in the buildings. Both buildings imploded within two hours. A third airplane, Flight 77, crashed into the Pentagon in Arlington, Virginia. The fourth airplane, Flight 93, crashed (or was shot down) near Shanksville in rural Pennsylvania. The attacks killed 3,000 people.

10/12 (2002)---Bali Bombings. The false-flag Bali bombings occurred on October 12th, 2002 in the tourist district of Kuta on the Indonesian island of Bali. The coordinated attack involved the detonation of three bombs: a backpack-mounted device carried by a suicide bomber; a large car bomb, both of which were detonated in or near popular nightclubs in Kuta; and a third much smaller device detonated outside the United States consulate in Denpasar, causing only minor damage. The bombings killed 202 people and injured 240. The bombings occurred on Crowleymas, Aleister Crowley's birthday.

3/11 (2004)---Madrid bombings. The false-flag Madrid train bombings consisted of a series of coordinated bombings against the commuter train system of Madrid, Spain on the morning of March 11th, 2004. The Madrid bombings occurred three days before Spain's general elections. The bombings killed 191 people and roughly 1,800 injured.

⁸ The Law of Octaves was first suggested by Pythagoras in ancient Greece. Having observed that the eight notes of the conventional Occidental musical scale were governed by definite mathematical relationships, Pythagoras proceeded to create a whole cosmology based on 8s. In this octagonal model Pythagoras made numerous mistakes, because he was generalizing from insufficient data. However, his work was the first attempt in history to unify science, mathematics, art and mysticism into one comprehensible system and as such is still influential. Leary, Crowley and Buckminster Fuller have all described themselves as modern Pythagoreans. In China, roughly contemporary with Pythagoras, the Taoists built up a cosmology based on the interplay of yang (positive) and yin (negative), which produced the eight trigrams of the I Ching, out of which are generated the 64 hexagrams. In India, Buddha announced, after his illumination under the Bodhi tree, the Noble Eightfold Path. Patanjali subsequently reduced the science of yoga to eight "limbs" or, as we might say, eight "steps." The game of chess appeared, somewhere in the East, with a grid based on 8x8 (64) squares. Wilson, Robert Anton. *Cosmic Trigger: Final Secret of the Illuminati*. Tempe, AZ: New Falcon, 2007. 266. Print.

The bombing occurred 911 days after the September 11th attacks.

7/7 (2005)---London "7/7" bombing. The false-flag London bombings (often referred to as 7/7) were a series of coordinated suicide attacks upon London's public transport system. Four unwitting patsies were guided to locations in the London Underground, where three bombs were exploded. A fourth bomb exploded an hour later on a red double-decker bus in Tavistock Square. The bombings killed 52 people and roughly 700 were injured.

11/9 (2005)---Amman, Jordan bombing. The false-flag bombings were a series of coordinated bomb attacks on three hotels in Amman, Jordan, on November 9, 2005. The bombings killed 60 people and injured 115 others.

8/8 (2008)---an attempted U.S. war with Russia, using Georgia as a proxy. During the night of August 8th, Georgia launched a large-scale military attack against South Ossetia, in an attempt to conquer the territory. The following day Russia reacted by deploying combat troops in South Ossetia and launching bombing raids deep into Georgia.

Clearly, these major terrorist bombings were situated on dates containing the numbers 11, 77, 88 and Aleister Crowley's birthday. Based on the numerical significance of the dates of these false-flag terror events, an occult correlation can be made. When the bombings are listed together, one can clearly discern the hidden, occult agenda for war and greater global control. A detailed analysis of Crowley's connection to these events is contained in my book Prophet of Evil: Aleister Crowley, 9/11 and the New World Order, available on Kindle and at my website: www.occult911.com.
